

# 2008 Christchurch Classic Car

BY Robin Blowers

I came across some photos from the Aug 2008 Classic Car show held at Pioneer Stadium, Christchurch. Two Leylands were entered, Ken Mckenzie's Bitter Apricot Super and my Home on "th" Orange Deluxe. These cars were well presented, with a rally theme. The show was very well patronised. I've also attached a copy of photos of the Ford Falcon and Fairlane exhibit and a beautifully presented Stingray. The White Packard was the overall winner of the Concourse event.
