

Te Awamutu Classic Car Show

April 1 2011

A P presence was seen at the Te Awamutu Classic Car Show on April 1 where four frequent flyers were on display amongst a broad selection of classic cars including a Mk1 Zephyr, Morris Woody and a fairly old caravan as can be seen in the photo below. Also in shot are the P76's of Annette and Mike King who took along the grandchildren in each of their cars, Ed and Annette's ON and Steve Learmonth and partner Shelley in his RF custom Leyland.

The P76's attracted a lot of attention and the boys received some great feedback on the cars presentation. Thanks Mike for those words and photo.
