

# Waikato Triumph Car Club's British Car Day March 2013

by Rob Jones

From March 2013 when the southern part of the Northern Group went to the Waikato Triumph Car Club's British Car Show in Te Awamutu and scooped a couple of trophies and a certificate as I recall from the photos discovered by Ed Truman and sent to me with a "look what I found" note. Better than never, I guess.

The regular attendees are attending with their tent and car display signs which always make a great display. Left to Right we have Ed's ON V8, Steve's Rosso Fire V8, Mike's CW E V8, Annette's DR S V8 and Ian Sutherland in his AG E V8.

All very nice indeed. Blooming nice Trophy too.
