

AS WE DROVE TO RAUMATI

Central Group Christmas Lunch December 2015

by ??

We gathered at the Raumati Beach Beach Waterfront Bar for a convivial and very scrumptious lunch with a friendly group of members from around the central area. Highlights were catching up with Merv and Rose, seeing Hugh's 6/110 for the first time, Megan not getting drenched in orange juice like last time she came along and my dessert which I was plainly told No to my suggestion of having another. It's in my top 5 ever desserts.

We enjoyed the company of Lizzy, Martin, Clive, Carol, Sonya and Megan down one side and Ron, Hugh, Bronwyn, Rose, Merv, Bruce and Anne down the other. I took the photos! There is a photo of Merv and his old mate Bruce too. Merv must be the elder statesman of our group.
