*(Left: Bee's around a honey pot or members around Wayne Andrews somewhat developed DR E V8. David Timms is looking through the "hole" in the bonnet This is the first outing for Wayne's car.)*

*(Below: Here we see a reverse line up of Leyland's, except for Steve Learmonth's which is facing you.)*

*(Left: A happy group of members under the Leyland tent, many wearing their flash new wind breaker jackets that came as part of the memorabilia package for 2012 AGM)*
