

# Happy in my P76

BY Michael Livingstone

This song was sung to Michael Livingstone by 120 people involved in a rally he was directing. I rediscovered this in an old Leyland Post magazine from May 1995 and republished it in Penzed in November 2015. Sadly Michael has since passed away

It was written by triple P76 owner Denis Shepherd to the tune of "The pub with no beer" and I'm sure both gentlemen will be happy to see it preserved on our web site. *Rob Jones.*

**It's lonesome** from your kindred and all  
By the campfires at night when the wild dingoes call  
But you can be happy out here in the sticks  
If you go out and buy a P76

Now some like their Holden's and some like their Ford's  
And some like Cadillac's for pleasing their broads  
Chevvies and Riley's can give you your kicks  
But there is nothing as sexy as a P76

Young Michael from Coota has the 76 bug  
His car is a beauty and he's feeling quite smug  
The colours a brown which Gwen doesn't like  
But she says it's more comfy than riding a bike

Now Deidre and Arthur are buying them too  
And Gareth from Junee has three, yes that's true  
They're simple to work on and easy to fix  
That's why they are all buying a P76

Our Secretary John, the pride of our club  
WHas a T model Ford and a shiny V-dub  
But I'm sure he'd be happy to try a few tricks  
At the wheel of a Leyland P 76

If you want a fast car that's good on the straights  
Buy a P76 (or two P38's)  
The brothers called Leyland would have made better pix  
If only they' used a P76

The boot is enormous, they say it can fit  
A forty four gallon drum and still spare a bit  
But it's really for carrying home all the bits  
That drop off while you're driving the P76
