

NZ Leyland P76 Owners Club Inc.

History:

The club was formed in 1983 in the Bay of Plenty and membership rapidly spread to other areas. It's founder members saw a need to swap technical information, secure parts supply lines as far as possible, and generally enjoy association with other Leyland P76 owners.

Local Branches:

Currently the Club is made up of three groups, Northern, Central and Southern. Each group is largely autonomous and arranges activities to meet its members needs, however, each group has its own office bearers including at least a Treasurer and Secretary. Groups often organise joint events and responsibility for the National Rally moves from group to group annually. From a members perspective there are no boundaries, we are all in the Club together.

Magazine:

Our magazine "Penzed" is published bi-monthly and is a medium for swapping technical and other information; advising forthcoming local events; and generally helping our countrywide membership to keep in contact with each other.

APPLICATION FOR MEMBERSHIP
